

# MARCH CoE 2024: Indian Health Service: Caring for First Nations People

12/01/2024 to 12/01/2027

Enduring Material

## Purpose:

The Avera Research Institute Maternal Health Research Center of Excellence (MARCH) provides a platform for researchers, tribal nations, rural communities, and key stakeholders to engage in bidirectional communication on maternal health, in particular drivers of mortality and severe morbidity. This is a recorded session from the 2024 MARCH CoE Summit that discusses how Indian Health Services has cared for first nations people and how to apply some of their strategies.

## Objectives:

- 1 Analyze and discuss cultural appropriate practices in rural and minority communities, particularly American Indian communities.
- 2 Analyze and discuss social determinants that affect practices in rural and minority communities.
- 3 Examine Indian Health Services regarding maternal and child health and how to apply their strategies.
- 4 Integrate a multidisciplinary approach into the development of plan of care.

## Target Audience:

Physician, Nurse - RN, Psychologist

## For successful completion:

- Watch video
- Complete pre and post-test
- Complete evaluation

## Accreditation & Credit Designation:
