2025 Bi-directional Neuro Case Review

1/14/2025 at 12:00 PM to 1:00 PM

Live Activity

Purpose:

This bi-directional case review offers a system of care that brings together members of the ED, EMS, and Neuroscience teams to review cases, explore the best treatment protocols, share knowledge and create treatment plans in alignment with the most current guidelines that best suit patient individual cases.

Objectives:

1 Integrate a multidisciplinary approach into the development of plan of care

2 Discuss and analyze team barriers that could impede patient care

3 Identify social determinants that affect patient care for neuro patients

4 Review patient transfer scenarios

5 Identify actions that improved patient outcomes, providing positive feedback, while also evaluating obstacles and providing opportunities to overcome these obstacles in the future.

6 Identify practice improvements that can be made to improve healthcare quality and safety

- 7 Develop strategies and a team approach to prevent complications from medical procedures
- 8 Discuss and analyze patient cases with the healthcare team

9 Review and analyze team barriers that could impede patient care

Target Audience:

Physician, Nurse - RN, EMS, Nurse - Nurse Practitioner, Physician Assistant, Nurse - LPN/LVN

For successful completion:

- Attend education
- Actively engaged or participated in the activity and Q&A
- Complete evaluation

Accreditation & Credit Designation:

Accreditation

In support of improving patient care, Avera is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Continuing Education Credit Designation(s)

IPCE (Team-based): This activity was planned by and for the healthcare team, and learners will receive 1.00 IPCE credit(s) for learning and change.

Medicine CME: Avera designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)^M. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

REMINDER

Attendance can be texted up to 24 hours after the activity

Nurse CE: Avera designates this activity for a maximum of 1.00 ANCC contact hour(s). Nurses should claim only the credit commensurate with the extent of their participation in the activity.

MN EMS: This education qualifies as Continuing Education, LCCR, or ICCR in the State of Minnesota. EMTs will receive 1.00 continuing education credit(s) for participating in this course.

SD EMS: This training has been approved by the SD Dept. of Health for EMS continuing education. EMTs will receive 1.00 continuing education credit(s) for participating in this course.
