Purpose:

We recognize the need for ongoing education on behavioral health topics for disciplines who provide care to children and adolescents. This educational session is specially designed to educate Nurses, Counselors, Social Workers, and other disciplines who work with children and adolescent youth, particularly in the school setting, on behavioral health topics. This session will focus on youth substance abuse.

Objectives:

- 1 Discuss how a multidisciplinary approach can support the mental health needs of youth support
- 2 Discuss how prevalent substance use is in youth.
- 3 Describe how substance use presents in youth.
- 4 Identify signs of substance uses in adolescents.
- 5 Discuss helpful tips on how parents can talk with teens about substance use.
- 6 Identify coping skills and tips to address substance use in youth.
- 7 Integrate professional advice regarding substance use to practice
- 8 Discuss counseling and professional help resources, and care options for children and families working through substance use.

Target Audience:

Nurse - RN, Social Worker, Counselor / Therapist, Nurse -LPN/LVN
