OUD and the Initiation of MOUD

02/12/2025 at 12:00 PM to 1:00 PM

Live Activity

Purpose:

The MARCH Center of Excellence provides a platform for researchers, tribal nations, rural communities, and key stakeholders to engage in bidirectional communication on maternal health, in particular drivers of mortality and severe morbidity. This Avera Live Webinar session about opioid use disorder (OUD) and the Initiation of maternal opioid use disorder (MOUD) is part of the Avera Research Institute, MARCH Center of Excellence training for enhancing knowledge and skills for investigators and community partners to conduct research and improve health care for women.

Objectives:

1 Discuss the treatment of OUD in pregnant women.

2 Discuss MOUD initiation in pregnant women.

3 Develop a team approach to a treatment plan for OUD and the initiation of MOUD in pregnant women.

4 Identify strategies in a collaborative team approach to prevent and manage complications related to maternal mortality and morbidity.

Target Audience:

Physician, Nurse - RN, Student, Social Worker, Nurse - Nurse Practitioner, Physician Assistant, Psychologist, Nurse - LPN/LVN

For successful completion:

- Attend education
- Actively engaged or participated in the activity and Q&A
- Complete evaluation

Accreditation & Credit Designation:
