Purpose:

We recognize the need for ongoing education on behavioral health topics for disciplines who provide care to children and adolescents. This educational session is specially designed to educate Nurses, Counselors, Social Workers, and other disciplines who work with children and adolescent youth, particularly in the school setting, on behavioral health topics. This session will focus on parenting styles and values.

Objectives:

- 1 Understand the different parenting styles.
- 2 Understand how the different parenting styles can impact children.
- 3 Learn ways to support parents in their journey.
- 4 Learn how parents can improve their style.
- 5 Understand how parents can support their child through routine and consistency.
- 6 Learn how technology can impact a child's growth and development.
- 7 Learn interventions that can be helpful to replace technology.
- 8 Learn what resources are available to parents in the area.
- 9 Discuss how a multidisciplinary approach can support the mental health needs of youth support

Target Audience:

Nurse - RN, Social Worker, Counselor / Therapist, Nurse -LPN/LVN
