

Pump It! An Introduction to Today's Insulin Pumps

02/18/2026 to 02/18/2029

Enduring Material

Purpose:

Monthly educational sessions on ambulatory care topics that will bring ambulatory care pharmacists together throughout the Avera footprint and work towards increasing pharmacist knowledge on updated guidelines and enhance patient care. This is a recording of the live sessions that was designed to educate and discuss management options for insulin pumps.

Objectives:

- 1 Describe how insulin pumps work and how they fit into our diabetes treatment arsenal.
- 2 Discuss the process for insulin pump selection and acquisition
- 3 Outline the process for transitioning from multiple daily insulin injections to an insulin pump

Target Audience:

Pharmacist, Pharmacy Technician

For successful completion:

- Watch video
- Complete post-test
- Complete evaluation

Accreditation & Credit Designation:

Accreditation

In support of improving patient care, Avera is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Continuing Education Credit Designation(s)

Pharmacy CE: Avera designates this activity for 1.00 ACPE contact hour(s). Pharmacists and pharmacy technicians should claim only the credit commensurate with the extent of their participation in the activity. Credit will be uploaded to the NABP CPE Monitor® within 30 days after the activity completion. Per ACPE rules, Avera does not have access nor the ability to upload credits requested after the evaluation closes. It is the responsibility of the pharmacist or pharmacy technician to provide the correct information (NABP ID and DOB (MMDD)) to receive credit.

Additional Information:

Feedback person for this educational activity is: annette.johnson2@avera.org
