Avera Behavioral Health Symposium

09/30/2026 at 08:00 AM to 05:00 PM

Live Activity

Purpose:

The 2nd Annual Avera Behavioral Health Symposium is an interprofessional educational activity designed to equip healthcare professionals with current evidence-based approaches to behavioral health assessment, treatment, and care coordination across the continuum of care. Participants will explore emerging trends in trauma-informed care, suicide prevention, addiction treatment, social media influences on mental health, artificial intelligence in healthcare, ethical decision-making, compassion fatigue, and provider well-being. Through expert presentations and collaborative discussions, learners will develop practical strategies to improve patient outcomes, strengthen interdisciplinary teamwork, enhance ethical practice, and promote resilience among healthcare professionals.

Objectives:

- 1 Examine evidence-based strategies to address burnout, secondary traumatic stress, compassion fatigue, moral injury, and vicarious trauma.
- 2 Review the mental health hold process in South Dakota.
- 3 Examine latest evidence surrounding the impact of social media use and how it can contribute to increased anxiety and depression.
- 4 Understand the ethical implications associated with smartphone technology and social media use from a social and professional perspective.
- 5 Discuss the impact of harm reduction and low-threshold addiction treatment on improving whole person outcomes.
- 6 Apply best ethical practices in deploying patient-facing, care planning and back-office AI applications.
- 7 Discuss the concept of compassion fatigue and vicarious trauma and its effects on individuals in support roles.
- 8 Examine evidence-based strategies to address burnout, secondary traumatic stress, compassion fatigue, moral injury, and vicarious trauma.
- 9 Discuss why collaboration with other mental health providers is needed to improve patient care and address ethical considerations.

Target Audience:

Physician, Nurse - RN, Technician, Social Worker, Counselor / Therapist, Nurse - Nurse Practitioner, Addiction and Prevention Professionals, Psychologist, Nurse -LPN/LVN

For successful completion:

- Attend education
- Complete evaluation
