

Emergency Medicine Pearls - Tachyarrhythmias

07/15/2026 to 07/15/2028

Enduring Material

Purpose:

Emergency Medicine Pearls offers concise, up-to-date clinical guidance on common patient presentations frequently encountered in the Emergency Department. Each topic is developed collaboratively by a multidisciplinary team within the ED service line to support timely, evidence-informed decision-making. This module focuses on tachyarrhythmias and is designed to enhance emergency clinicians' ability to assess hemodynamic stability, differentiate tachycardias, identify underlying causes and drivers of arrhythmia, and select appropriate and timely management strategies.

Objectives:

- 1 Review the assessment of hemodynamic stability
- 2 Discuss the differentiation of narrow vs. wide complex tachycardias
- 3 Identify the underlying causes and drivers of arrhythmia
- 4 Integrate appropriate diagnostic decision-making to selection the most appropriate and timely management strategies
- 5 Communicate findings effectively across the interprofessional team to support timely, evidence-based evaluation and disposition of patients with tachyarrhythmias

Target Audience:

Physician, Nurse - RN, EMS, Nurse -LPN/LVN

For successful completion:

- Watch video
- Complete post-test
- Complete evaluation

Accreditation & Credit Designation:

Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Avera is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Continuing Education Credit Designation(s)

IPCE CREDIT™

IPCE (Team-based): This activity was planned by and for the healthcare team, and learners will receive 0.75 IPCE credit(s) for learning and change.

Medicine CME: Avera designates this live activity for a maximum of 0.75 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

REMINDER

Attendance can be texted up to 24 hours after the activity

Non-Physician: Avera certifies this live activity has been designated 0.75 AMA PRA Category 1 Credits™

Nurse CE: Avera designates this activity for a maximum of 0.75 ANCC contact hour(s). Nurses should claim only the credit commensurate with the extent of their participation in the activity.

MN EMS: This education qualifies as Continuing Education, LCCR, or ICCR in the State of Minnesota. EMTs will receive 0.75 continuing education credit(s) for participating in this course.

SD BMOE: This course SD27CE021 has been approved for 0.75 continuing education credits by the South Dakota Board of Medical and Osteopathic examiners (BMOE).
