2027 Imaging Series - Pediatric Echo

2nd Thursday from 07:00 AM to 08:00 AM

Purpose:

This pediatric echo case conference provides physicians, advanced practice providers, nurses, and cardiovascular sonographers with opportunities to review complex and uncommon pediatric cardiac cases, analyze current evidence and emerging imaging technologies, and discuss best practices for diagnostic evaluation and management. Through case-based learning and peer-to-peer collaboration, participants will enhance diagnostic accuracy, strengthen team communication, and identify strategies to improve patient safety, quality of care, and clinical outcomes.

Objectives:

1 Integrate a multidisciplinary approach into the development of plan of care
2 Discuss and analyze team barriers that could impede pediatric patient care
3 Discuss current literature to ensure current practice is evidence based
4 Identify advanced imaging/testing used to ensure high quality diagnostic exams
5 Identify practice improvements that can be made to improve healthcare quality and safety
6 Discuss and analyze pediatric patient cases with the healthcare team

Target Audience:

Physician, Nurse - RN, Technician

For successful completion:

- Attend education
- Complete evaluation

Accreditation & Credit Designation:

Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Avera and Aaron Clem. Avera is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Designation(s)

IPCE CREDIT™

IPCE (Team-based): This activity was planned by and for the healthcare team, and learners will receive 1.00 IPCE credit(s) for learning and change.

Medicine CME: Avera designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurse CE: Avera designates this activity for a maximum of 1.00 ANCC contact hour(s). Nurses should claim only the credit commensurate with the extent of their participation in the activity.

ABS CC: Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

CME FOR ABS CC

REMINDER Attendance can be texted up to 24 hours after the activity
