2025 Transplant Topics Education Series -2/11/2025

02/11/2025 at 01:00 PM to 02/11/2025 at 02:00 PM

Live Activity

Purpose:

This series brings experts in transplant to provide educational presentations on topics that are pertinent to improving care for transplant patients. These presentations will include medical management of transplant patients and discussion of cultural and social topics that affect our patients. This series is intended to bring healthcare providers together that work in the transplant, hepatology, and nephrology clinics.

Objectives:

- 1 Identify three less common kidney diseases leading to kidney transplant.
- 2 Identify any additional testing that may be required for each disease process for a thorough kidney transplant evaluation.
- 3 Describe how each of these kidney diseases potentially affect the outcome of a kidney transplant.

Target Audience:

Physician, Nurse - RN, Social Worker, Pharmacist, Nurse - Nurse Practitioner, Physician Assistant

For successful completion:

- Attend education
- Complete evaluation
