

Performance Improvement and Quality Metrics – How it can improve patient outcomes: eCARE’s Role in PI

Presented by: Matt McQuisten, MBA, NRP

PURPOSE: Upon completion of this activity, the learner will have an understanding of eCARE's PI data collection and how it relates to your facility and helping improve internal process.

OBJECTIVES:

At the conclusion, participants should be able to:

1. Explain how eCARE can help improve patient outcomes (and quality metrics) regarding time sensitive intervention cases (stroke, MI, sepsis...).
2. Explain how to build a policy around improving your quality metrics for the patients included in the PI data collection.

In order for you to successfully complete this activity and receive **0.75 CNE**, you must:

- a. Register for the online activity
- b. View the attached video
- c. Complete the evaluation

Feedback Person for this education activity are listed below. If you have questions please contact them.

- a. Name & Email: cindy.Pirrung@avera.org

There is no conflict of interest related to this activity identified by planners, content specialists or feedback persons.

The expiration date for credit hours for this activity is **3/31/2019**.
