

# Nursing Patient Assessment: Why What and How

*Presented by Katie Good-Opdah, RN-C*

**An e-learning course available on the CE Portal**

**Program Goal:** Upon completion of this activity, the learner will have an understanding of the importance of their role in patient assessment including tips and tricks for successful assessment.

**Objectives:**

At the conclusion, participants should be able to:

1. Review the value of the nursing assessment.
2. Recognize a full nursing assessment and focused nursing assessment.
3. Identify the components of a nursing assessment.

All planning committee and presenters have no conflict of interest to disclose related to the content of this presentation.

Enduring material available from 12/13/2018 to 12/31/2021

*Avera is an Approved Provider of nursing continuing professional development by the Alabama State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. A total of 1.0 contact hours can be received upon completion of this activity.*
