

Avera vCNE Series:

Assessment of Suicide Risk in the Primary Care Setting

Presented by: Lisa Frieberg, RN

- PURPOSE:** This is the eleventh session in the Avera vCNE Series. This session will include assessment of suicide risk in the primary care setting, including risk factors, tools/criterion and specific actions. The vCNE Series is specially designed to update nurses on hot topics, evidence based practice and Avera's current strategic initiatives.
- OBJECTIVES:**

At the conclusion, participants should be able to:

 1. Identify 3 factors that contribute to increased suicide risk.
 2. Name 3 tools/criterion utilized to assess suicide risk.
 3. Name 3 specific actions to be taken in the primary care setting in response to assessed increased suicide risk.
