

Avera vCNE Acute Care Series:

A new way to escape isolation for MRSA/VRE

Presented by: Tracey Sherman, RN; Brenda Pulfrey, RN; Jo Oberg, BSN

1. **PURPOSE:** The Avera vCNE Acute Series is specially designed to update nurses working in hospital settings on hot topics, evidence based practice and Avera's current strategic initiatives. Primarily Avera content expert speakers will be presenting on topics including infection prevention, skin care, healthcare finance, diabetes, documentation, stroke care and more!
2. **OBJECTIVES:**
At the conclusion, participants should be able to:
 1. Review how studies have changed the need for isolation of certain MRDOs.
 2. Identify patients with a history of MRSA and/or VRE that meet criteria for contact isolation removal.
3. In order for you to successfully complete this activity and receive **1.0 CNE**, you must:
 - a. Register for the online activity
 - b. View the attached video
 - c. Complete the evaluation
4. **Feedback Person** for this education activity are listed below. If you have questions please contact them.
