

Pneumonia and Treatment Option

Presented by: Joseph Rees, DO

PURPOSE: The educational activity is specially designed to increase knowledge of pneumonia in the older population, including the treatment options.

OBJECTIVES:

At the conclusion, participants should be able to:

1. Identify a clinical diagnosis of pneumonia.
2. Review appropriate testing for suspected pneumonia.
3. Recognize when to consider hospitalization for pneumonia.
4. Identify initial treatment for pneumonia

In order for you to successfully complete this activity and receive **continuing education hours**, you must:

- a. Register for the online activity
- b. View the attached video
- c. Complete the evaluation
