

Avera and SDAHO Jointly Provide: Avera Social Work Educational Series: Palliative Care

Presented by Amy Keranen, MD

*****An e-learning course available on the Avera CE Portal*****

Program Goal: This educational activity is part of the Avera SW Educational Series. This session will concentrate on the federal regulation changes that are affecting skilled nursing facilities. The SW Educational Series is specifically designed to update participants on hot topics, evidence based practice, and local, state, and federal initiative

Target Audience: Other

Objectives:

- 1 Participants will understand the difference between Palliative Care and Hospice Care
- 2 Participants will learn the four roles of Palliative Care: Goals of Care, Advance Directives, Symptom Management, & Support
- 3 Participants will learn to identify patients that would benefit from a palliative care referral in the inpatient and outpatient settings

All planning committee and presenters have no conflict of interest to disclose related to the content of this presentation.

Enduring material available from 3/10/2020 to 03/31/2021
