

Avera Friday Forums: Identifying Trauma in Children and Creating a Culture of Healing

Presented by Mary Weber, MS, LPC, LMFT

*****An e-learning course available on the Avera CE Portal*****

Program Goal: This educational series is specially designed to educate Nurses, Teachers, Counselors, Social Workers, and other disciplines who work with children and adolescent youth, particularly in the school setting, on behavioral health topics. Upon the completion of this activity, the learner will learn how trauma impacts the brain, learn about ACEs and strategies to help create a culture of healing.

Target Audience: Psychiatry, Behavioral Health

Objectives:

- 1. Identify how trauma impacts the brain**
- 2. Recognize the impact of ACEs**

All planning committee and presenters have no conflict of interest to disclose related to the content of this presentation.

Enduring material available from 3/10/2020 to 03/31/2021
