

# Avera Research Grand Rounds

## October 2020

*Presented by: Christine Hockett, PhD*

**\*\*\*An e-learning course available on the Avera Portal\*\*\***

**PROGRAM GOAL:** Avera Research Grand Rounds provides an opportunity for researchers across Avera to present their work to a broad audience of like-minded individuals with the intent of fostering cooperative interactions and improved understanding of ongoing research among investigators within Avera

**TARGET AUDIENCE:** Physicians, Nurses and Nursing Home Administrators

### **OBJECTIVES:**

1. Understand the concept of fetal over nutrition and its role in fetal programming
2. Be able to identify epidemiological methods used to identify factors associated with fetal programming
3. Explore a variety of interventions that aim to break the vicious cycle of obesity

### **NCPD Outcomes:**

80% of nurses can self-report a knowledge gain in fetal programming or obesity

To successfully complete this activity and receive **1.00 CNE and/or CME**, you must:

- a. View the attached video
- b. Complete the verification
- c. Complete the evaluation

### **CME:**

*Avera is accredited by the Accreditation Council for Continuing Medical Education to provide continuing education for physicians. Avera designates this educational activity for a maximum of **1.00** AMA PRA Category 1 Credit.
