

Avera CE Portal will be unavailable!

Saturday, August 20th from 9pm-1am EST

CloudCME is undergoing system maintenance and the site will be unavailable during this time.

Application Updates

CloudCME has been making improvements and there are a few more coming

We have submitted our JA Application and are making the small changes to be in compliance for 2023 applications

CloudCME Updates

CloudCME has been making improvements

- All Tabs:

- Find Disclosure Button is back! Functionality expanded to search what you type vs having to have exact name. The last changed column tells you when they last completed their disclosure.

- Planners and Faculty Tab:

- You now have a button to see if faculty or committee have updated disclosures

and there are a few more coming....

User ID	First Name	Last Name	Degree	Organization	Email	Last Login Date	Form Submission ID	Last Changed	Disclosure
19599	Amy	Skov	RN, CHC	Floyd Valley Healthcare	amy.skov@floydvalley.org	4/2/2018 6:02:53 PM			No
19623	Amy	Skoglund	RN	Avera Health	amy.skoglund@avera.org	7/6/2022 8:19:13 PM	163801	5/26/2022 11:14:41 AM	Yes

beside the button stating, "Update Complete." Once you see that message, you can click the button to update the disclosures. Continue at the bottom of the form.

[Update Missing Disclosures, if available](#)

Qualified Planner

Email: First and Last Name:

CloudCME Updates

CloudCME has been making improvements has a few more changes coming....

- 7/26 - Update to Administrative Interface (back end). If you use this you will see the "tabs" will change so a side view and you can search for what you are looking for in Activity Manager. More useful on all screen types (phone, Ipad, computer)
- 8/26 - Update to the record attendance maintenance screen in the back end (no demo yet). Should not affect attendance. Sharon will send email 8/22 on back up plan for 8/26-8/29 courses - Just in case!

The screenshot displays the CloudCME administrative interface for setting up a test event. The page title is "CloudCME Test Event 5/28/2020 - 5/29/2020 Nashville, TN UNITED STATES". The left sidebar contains a navigation menu with items like Dashboards, Administration, Abstracts, Activities, Content, Email, Exhibitors, Faculty, Finance, Forms, Membership, Notes, and Reports. The main content area is divided into a "Setup" tab and a "Form" section. The "Form" section includes fields for Activity Name, Activity Format, Activity Content, Activity Code, Finance Code, Attendee Max #, Department, Division, Location, Country, City, and State. There are also checkboxes for "Was this activity planned by the healthcare team?" and "Approval Status".

If you experience ANY issues in the CE Portal, please email averacontinuingeducation@avera.org to report the issue.

CloudCME Updates

CloudCME has been making improvements has a few more changes coming....

- Future:
 - Back end Dashboard will be updated
 - Dark Mode

The screenshot displays the CloudCME Administration interface. The left sidebar contains a navigation menu with items: Dashboards, Administration, Abstracts, Activities, Content, Email, Exhibitors, Faculty, Finance, Forms, Membership, Notes, and Reports. The main dashboard area features several key performance indicators (KPIs) in colored boxes: Total Active Users (175), Logins Today (0), Credits Awarded Today (0), SMS text attendance today (0), QR scans via app today (0), Registration revenue so far today (\$0.00), Total paid orders so far today (0), and Evaluations submitted today (0). Below these are three sections: 'IPCE Threshold' with a 0% progress bar and 25% completion; 'Participant Summary' with a donut chart showing state distribution (TN: 10, OH: 8, VA: 6, CA: 2, WI: 1, MD: 1, NY: 1, AB: 1, IL: 1, AK: 1); and 'Program Summary' with an 'Export XLS' button and a table of activities.

Category	Name	Activities	Hours	Physicians
Direct	Courses	6	22.00	108
Direct	Enduring Materials - Internet	1	5.00	1
Total:		7	27.00	109

If you experience ANY issues in the CE Portal, please email averacontinuingeducation@avera.org to report the issue.

JA Application Updates

Basic Information Tab

Additional credit types for 2023 Activities

Select all that apply: ⓘ

- | | |
|--|---|
| <input type="checkbox"/> ACCME (Physicians) | <input type="checkbox"/> ANCC (Nurses) |
| <input type="checkbox"/> ACPE (Pharmacists and/or Pharmacy Technicians) - 2023 Applications Only | <input type="checkbox"/> ASWB (Social Workers) - 2023 Applications Only |
| <input checked="" type="checkbox"/> Joint Accredited | <input type="checkbox"/> BOC (Athletic Trainers) |
| <input type="checkbox"/> Other (Select Credit Types Below) | <input type="checkbox"/> Non-Accredited |

NOTE: These credit types may not be available until February 2023, due to implementation time

JA Application Updates

Basic Information Tab

New questions now live and need to be answered:

Was this activity planned by the healthcare team, for the healthcare team? (Select "YES" if every profession listed in your target audience is reflected in your planning committee)

Was this activity planned by the healthcare team, for the healthcare team? (Answer "Yes" if every profession listed in your target audience is reflected in your planning committee.)

Yes

No

JA requires that 25% of actives are planned by the team and for the team to learn with and from each other :

This means that it is not just 'information is appropriate for all, and we all helped' (Learning in Parallel). We also must have components of discussing roles/ barriers and how we can best work together to provide care to patients.

JA Application Updates

Gaps and Needs Tab

New questions now live and need to be answered:

Explain how you ensured the activity was generated around valid content.

Explain how you ensured the activity was generated around valid content (50 words max):

Standard 1: Ensure Content is Valid

Standard 1 applies to all accredited continuing education.

Accredited providers are responsible for ensuring that their education is fair and balanced and that any clinical content presented supports safe, effective patient care.

1. All recommendations for patient care in accredited continuing education must be based on current science, evidence, and clinical reasoning, while giving a fair and balanced view of diagnostic and therapeutic options.
2. All scientific research referred to, reported, or used in accredited education in support or justification of a patient care recommendation must conform to the generally accepted standards of experimental design, data collection, analysis, and interpretation.
3. Although accredited continuing education is an appropriate place to discuss, debate, and explore new and evolving topics, these areas need to be clearly identified as such within the program and individual presentations. It is the responsibility of accredited providers to facilitate engagement with these topics without advocating for, or promoting, practices that are not, or not yet, adequately based on current science, evidence, and clinical reasoning.
4. Organizations cannot be accredited if they advocate for unscientific approaches to diagnosis or therapy, or if their education promotes recommendations, treatment, or manners of practicing healthcare that are determined to have risks or dangers that outweigh the benefits or are known to be ineffective in the treatment of patients.

JA Application Updates

Objectives and Learning Outcomes Tab

Objectives: will only need ONE set of objectives

Joint Accredited Objectives (4.17)		
	Number	Objective
	1	

NOTE: These objectives will be stated in the promotional brochure and activity's syllabus.

25% needed to learn with and from each other. Please ensure that you have at least ONE objective that reflects this.

Example: Discuss roles in reduction of falls among members of the healthcare team to learn with and from each other.

JA Application Updates

Objectives and Learning Outcomes Tab

AMA PRA Skills and Procedures: there are some new AMA PRA Skills & Procedures as well as CAPE & PTCB Competencies

AMA PRA Skills and Procedures
