How to update your profile

Incomplete profiles, could prevent the user from recording their attendance, taking the poll issued through the Avera CE Portal, having correct credit (CME, Non-CME, CNE, etc) on their transcript.

Login into the Avera CE Portal using this link: <https://avera.cloud-cme.com>.

Click the My CE button (upper right hand corner). Click on the "Profile" tile to update your profile.

Choose the appropriate **Degree**, this is your academic degree, if you do not have an academic degree choose None and if your degree is not listed, choose Other.

Your degree must match your profession. For example: If you are a nurse, your degree is RN and your profession is Nursing. If you have questions or receive an error message, contact averacontinuingeducation@avera.org.

Choose the profession that pertains most closely to the credit you wish to receive. You may choose more than one profession if they both receive the same credit (CNE). However, if they would receive different credit types, CME versus CNE, choose the one that you want to receive credit for. Example: you have a BSN degree your profession could be Nurse Practitioner and Nursing. You may choose both.
