

# Avera Perinatal TeleECHO

Improving Obstetrics in Rural South Dakota

Rural Maternity Care Project HRSA-22-115

## Open To All Obstetric Care Providers

This educational series is an opportunity to connect with peers to gain knowledge, share best practices and strategies for providing obstetric care in South Dakota, especially rural and underserved areas. Join this multidisciplinary group to collaborate on ways to impact and improve obstetric care in our state.

**Based on the ECHO All Teach and All Learn Model, each session includes a didactic and case study(s).**
