

Osteoporosis Basics

03/11/2024 to 03/15/2027

Enduring Material

Purpose:

This is a recording from the live session that was designed to give participants an opportunity to learn the basics of osteoporosis screening, diagnosis, and treatment.

Objectives:

- 1 Identify when osteoporosis screening is necessary
- 2 Choose and utilize the appropriate screening method based on patient risk factors
- 3 Understand current clinical guidelines for the diagnosis of osteoporosis
- 4 Understand workup for secondary causes of osteoporosis
- 5 Identify available Osteoporosis treatments and treatment selection caveats
- 6 Identify osteoporosis fracture risk categories
- 7 Understand osteoporosis treatment monitoring

Target Audience:

Physician

For successful completion:

- Watch video
- Complete post-test
- Complete evaluation

Accreditation & Credit Designation:

Accreditation

In support of improving patient care, Avera is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Continuing Education Credit Designation(s)

Medicine CME: Avera designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Additional Information:

Feedback person for this educational activity is: kelly.boyd@avera.org
