

2024 Avera Perinatal TeleECHO - Managing Substance Use Disorder in Pregnancy

07/01/2024 to 07/01/2027

Enduring Material

Purpose:

The Avera Perinatal TeleECHO is an educational series composed of obstetric related content. This series is designed to connect providers in a collaborative effort on improving obstetric care and access to obstetric care in SD. This is a recording of the live session that focuses on managing substance use in pregnancy. This session discusses the risks associated with methamphetamine use and methods to support sobriety.

Objectives:

- 1 Describe treatment options for stimulant use disorders in pregnancy.
- 2 Describe treatment options for opioid use disorders in pregnancy.
- 3 Describe screening tools for substance use disorders in pregnancy.
- 4 Develop strategies in a team approach to prevent and manage complications related to high-risk pregnancies.

Target Audience:

Physician, Nurse – RN

For successful completion:

- Watch video
- Complete post-test
- Complete evaluation

Accreditation & Credit Designation:

Accreditation

In support of improving patient care, Avera is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Continuing Education Credit Designation(s)

IPCE (Team-based): This activity was planned by and for the healthcare team, and learners will receive 0.50 IPCE credit(s) for learning and change.

Medicine CME: Avera designates this live activity for a maximum of 0.50 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Nurse CE: Avera designates this activity for a maximum of 0.50 ANCC contact hour(s). Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Drug Enforcement Administration: This module provides 0.5 hours of training for Medication Assisted Treatment as part of the DEA MATE Act.

REMINDER

Attendance can be texted up to 24 hours after the activity
