

# 2024 Avera Perinatal TeleECHO - High Risk Pregnancy and Telehealth

07/15/2024 to 07/15/2027

Enduring Material

## **Purpose:**

The Avera Perinatal TeleECHO is an educational series composed of obstetric related content. This series is designed to connect providers in a collaborative effort on improving obstetric care and access to obstetric care in SD. This is a recording of the live session that discusses the role telehealth can play in monitoring high risk pregnancies.

## **Objectives:**

- 1 Define telehealth and telemedicine services and review the scope of these services in obstetrics
- 2 Describe the Maternity Care Desert in the United States and review methods to optimize care in these locations
- 3 Review the role of Maternal-Fetal Medicine in providing remote obstetric care
- 4 Understand strategies as well as barriers to successful telemedicine implementation in obstetrics
- 5 Develop strategies in a team approach to prevent and manage complications related to high risk pregnancies

## **Target Audience:**

Physician, Nurse – RN

## **For successful completion:**

- Watch video
- Complete post-test
- Complete evaluation

## **Accreditation & Credit Designation:**

### **Accreditation**

In support of improving patient care, Avera is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### **Continuing Education Credit Designation(s)**

**IPCE (Team-based):** This activity was planned by and for the healthcare team, and learners will receive 0.75 IPCE credit(s) for learning and change.

**Medicine CME:** Avera designates this live activity for a maximum of 0.75 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

**Nurse CE:** Avera designates this activity for a maximum of 0.75 ANCC contact hour(s). Nurses should claim only the credit commensurate with the extent of their participation in the activity.

## **Additional Information:**

Feedback person for this educational activity is: [diane.smith@avera.org](mailto:diane.smith@avera.org)
