

# 2024 Perinatal TeleECHO - Fetal Growth Restriction

07/15/2024 to 07/15/2027

Enduring Material

## **Purpose:**

The Avera Perinatal TeleECHO is an educational series composed of obstetric related content. This series is designed to connect providers in a collaborative effort on improving obstetric care and access to obstetric care in SD. This is a recording of the live session that discusses fetal growth restriction and the current evidence-based interventions and management approaches associated with it.

## **Objectives:**

- 1 Understand the etiology and pathophysiology of FGR, including maternal, placental, and fetal factors.
- 2 Identify clinical manifestations and diagnostic criteria for FGR.
- 3 Evaluate current evidence-based interventions and management approaches for FGR, including monitoring techniques, and delivery timing.
- 4 Develop strategies in a team approach to prevent and manage complications related to high risk pregnancies.

## **Target Audience:**

Physician, Nurse – RN

## **For successful completion:**

- Watch video
- Complete post-test
- Complete evaluation

## **Accreditation & Credit Designation:**

### **Accreditation**

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Avera is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### **Continuing Education Credit Designation(s)**

IPCE CREDIT™

**IPCE (Team-based):** This activity was planned by and for the healthcare team, and learners will receive 1.00 IPCE credit(s) for learning and change.

**Medicine CME:** Avera designates this live activity for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

**Nurse CE:** Avera designates this activity for a maximum of 1.00 ANCC contact hour(s). Nurses should claim only the credit commensurate with the extent of their participation in the activity.

## **Additional Information:**
