

2021 Avera vLEAD Leadership Series: Leading Remote Teams Effectively

** An e-learning course available on the Avera portal **

Program Goal

This session is a recording of an interactive panel discussion amongst leaders from throughout the health system. Each leader has various experience and perspectives leading remote staff. They bring different tactics to the table for discussion and engage in great dialogue regarding various tactics and involving their teams in the efforts.

Objectives

- 1 Discuss how successful teams and high quality leadership lead to an improved health care delivery system.
- 2 Articulate at least two strategies for effectively leading remote teams.
- 3 Reflect on the challenges and benefits of leading remote teams.
- 4 Understand where to find Avera resources related to leading remotely.

Outcome

80% of learners will self-report an increase in knowledge of the tools utilized in order to effectively lead their teams by the end of the activity

Target Audience

Professions – Nursing Facility Administrator, Administration, Executive Leader, Director, Manager, Vice President, CEO

Specialties – Leadership, Administration, Health Administration

Completion Requirements

- View the video
- Complete the post-test
- Complete the evaluation
