

Pharmacy Pearls for Prescribers- Anticoagulation

Enduring Material

** An e-learning course available on the Avera portal **

Purpose

Pharmacy Pearls for Prescribers provides up-to-date information on medications, developed by a multidisciplinary group of AMG primary care physicians and pharmacists from Avera Health and Avera Health Insurance Division. An interdisciplinary group has been working to develop educational materials to meet this need. In this series we will discuss anticoagulation management related to: basics of warfarin management and helpful considerations, direct acting oral anticoagulants, obesity and anticoagulation, and considerations for generic dabigatran

Objectives

- 1 Review the basics of warfarin management and helpful considerations
- 2 Discuss direct-acting oral anticoagulants
- 3 Examine obesity and anticoagulation
- 4 Outline considerations for generic dabigatran

Outcome

100% of participants will demonstrate their knowledge of anticoagulation therapy by passing a posttest with a score of 80% or better.

Target Audience

Professions – Physician, Nurse - RN, Pharmacist, Nurse - Nurse Practitioner, Physician Assistant, Nurse - LPN/LVN

Specialties – Other

Completion Requirements

- View entire educational material
- Complete posttest
- Complete evaluation
