

eCare SANE: Utilizing the Sexual Assault Evidence Collection Kit for South Dakota (Enduring Material)

Presenter(s): Jennifer Canton, MSN, RN, SANE-A, SANE-P

*****An e-learning course available on the Avera Portal *****

Program Goal: The eCare SANE nurse is on call to assist with the collection and questions for SD sites currently enrolled, this education will give prior training to the learner and be a continued reference tool. This video helps the learner review a patient's options post-sexual assault, including how best to discuss those options with the patient. This process must support the patient, ensure continuity and meet legal requirements of the state in which the exam is occurring.

Target Audience: Physician, Nurse

Objectives:

- 1 Review a patient's options post-sexual assault.
- 2 Describe contents of an evidence collection kit.
- 3 Identify the process for completing an evidence collection kit.
- 4 Review the CDC's recommendations for STD, pregnancy and HIV prevention.

Outcome:

Demonstrate knowledge of the South Dakota medical exam kit by passing post-test with score of $\geq 80\%$.

For successful completion:

- Complete online content
- Pass post-test with $\geq 80\%$
- Complete evaluation
