

Learner Engagement Strategies in Education

*****An e-learning course available on the Avera Portal *****

Purpose: This is an educational session directed at helping CE Planners enhance their knowledge and practice when developing accredited continuing education. This session specifically deals with learner engagement strategies.

Objectives:

- 1 Define who the learner is for an educational activity.
- 2 Describe options for in person learner engagement
- 3 Describe options for virtual learner engagement
- 4 Describe options for on demand learner engagement
- 5 Identify resources available for developing engagement in educational activities

Outcome: 100% of participants will identify at least one change or enhancement in practice when developing accredited continuing education based on information learned through this training.

Target Audience: Nurse, Other
