

Pharmacy Pearls for Prescribers- Asthma

Enduring Material

**** An e-learning course available on the Avera portal ****

Program Goal

Pharmacy Pearls for Prescribers provides up-to-date information on medications, developed by a multidisciplinary group of AMG primary care physicians and pharmacists from Avera Health and Avera Health Insurance Division. An interdisciplinary group has been working to develop educational materials to meet this need. In this series we will discuss asthma care related to: asthma guideline updates, overview of available agents for asthma treatment, asthma checklist prior to initiating biologics and outpatient management of outpatient exacerbations in adults.

Objectives

- 1 Review updated asthma guidelines
- 2 Identify available agents for asthma treatment
- 3 Define steps needed prior to initiating biologics
- 4 Discuss outpatient treatment of asthma exacerbations in adults

Outcome

100% of participants will demonstrate their knowledge by passing a posttest with a score of 80% or better.

Target Audience

Professions – Physician, Nurse, Nurse Practitioner, Physician Assistant

Completion Requirements

- Read the document
- Complete the post-test with score of 80%
- Complete the evaluation
