

2024 Pharmacy Pearls - Diabetes Special Edition

07/15/2024 to 07/15/2026

Enduring Material

Purpose:

Pharmacy Pearls for Prescribers provides up-to-date information on medications, developed by a multidisciplinary group of AMG primary care physicians and pharmacists from Avera Health and Avera Health Insurance Division. An interdisciplinary group has been working to develop educational materials to meet this need. In this series we will discuss the anti-CD3 antibody effect to delay the progression of T1D.

Objectives:

- 1 Identify recommendations for options to delay the progression of Stage 2 T1D to Stage 3 in adults and children =8 years old
- 2 Review recommendations for screening options
- 3 Discuss dosing considerations
- 4 Describe how a multidisciplinary collaboration can contribute to continuous and reliable patient care
- 5 Discuss monitoring and other considerations to management options to management of delayed progression of Stage T1D

Target Audience:

Physician, Nurse - RN, Pharmacist

For successful completion:

- Watch video
- Complete post-test
- Complete evaluation

Accreditation & Credit Designation:

Accreditation

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Avera is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Continuing Education Credit Designation(s)

IPCE CREDIT™

IPCE (Team-based): This activity was planned by and for the healthcare team, and learners will receive 0.75 IPCE credit(s) for learning and change.

Medicine CME: Avera designates this live activity for a maximum of 0.75 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

Nurse CE: Avera designates this activity for a maximum of 0.75 ANCC contact hour(s). Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Nursing Pharmacotherapeutic

This activity has been approved for 0.75 pharmacotherapeutic credit(s).

REMINDER

Attendance can be texted up to 24 hours after the activity

Pharmacy CE: Avera designates this activity for 0.75 ACPE contact hour(s). Pharmacists and pharmacy technicians should claim only the credit commensurate with the extent of their participation in the activity. Credit will be uploaded to the NABP CPE Monitor® within 30 days after the activity completion. Per ACPE rules, Avera does not have access nor the ability to upload credits requested after the evaluation closes. It is the responsibility of the pharmacist or pharmacy technician to provide the correct information (NABP ID and DOB (MMDD)) to receive credit.
