

Clinical Evidence for Medical Marijuana

Enduring Material

** An e-learning course available on the Avera portal **

9/27/2021 8:00 AM to 12/31/2022 5:30 PM – Avera CE Portal

Program Goal

Medical Marijuana is becoming more available in the Avera footprint. A multidisciplinary group of physicians and pharmacists from Avera Health have come together to offer recommendations and information that is rooted in science, evidence and data.

Objectives

- 1 Define what marijuana is
- 2 Discuss how marijuana can be used
- 3 Review the effect marijuana can have on other medications
- 4 Discuss common side effects of marijuana use
- 5 Review known contraindications for marijuana use
- 6 Identify preliminary list of conditions for medical marijuana use in South Dakota
- 7 Describe efficacy of medical marijuana as an antiemetic
- 8 Describe efficacy of medical marijuana with appetite stimulation
- 9 Describe efficacy of medical marijuana use in patients with glaucoma
- 10 Describe efficacy of medical marijuana use in patients with epilepsy
- 11 Describe efficacy of medical marijuana use as an analgesic
- 12 Describe efficacy of medical marijuana use in patients with PTSD
- 13 Describe efficacy of medical marijuana use in patients with Crohn's Disease
- 14 Describe efficacy of medical marijuana use in patients with Multiple Sclerosis

Outcome

100% of participants will demonstrate their knowledge of medical marijuana by passing a post test with a score of 80% or better.

Target Audience

Professions – Physician, Nurse - RN, Social Worker, Pharmacist, Nurse - Nurse Practitioner, Physician Assistant, Nurse -LPN/LVN

Specialties – All members of the healthcare team that will certify patients or help manage medical marijuana for patients

Completion Requirements

- View the video
- Complete the post-test
