How to take the EMS Continuing Education Curriculum

Find the curriculum overview by clicking on the following link: <https://avera.cloud-cme.com/aph.aspx?EID=10751&P=3000&CaseID=191#>

Review Overview Tab, Faculty Tab and Brochure by clicking on the top tabs as needed. You will not be able to view Content & Tests until after you register.

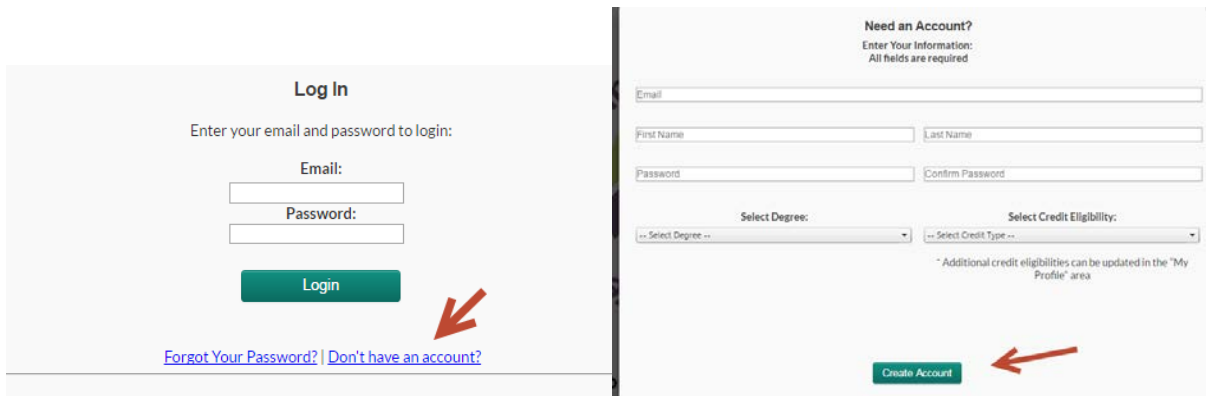

To register, click the Register tab. Click the red "Login or Create New Account".

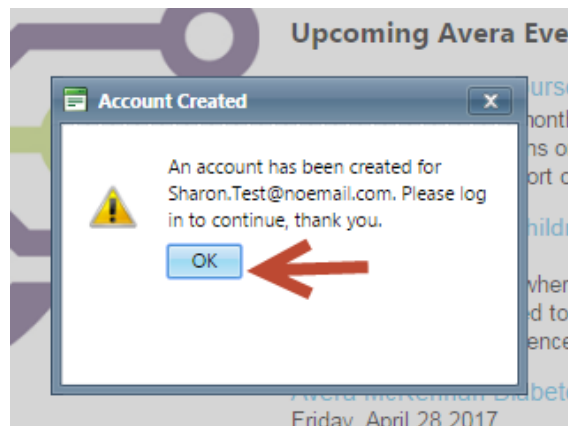

If you have been to the Avera CE Portal previously, click Sign In and enter your email address, password and click "Login". If you have an account, but do not remember your password, click the "Forgot Your Password" link to email your password to yourself.

If you have NOT been to the Avera CE Portal previously, click on “Don’t Have an Account?” link. Enter the information in the “Need An Account?” page. Then click “Create Account”. You will receive a message confirming an account has been created for you. Click ok. Click Register Tab again. Use your new login information to login to your account.

The image shows two side-by-side screenshots of the Avera CE Portal. The left screenshot is the 'Log In' page, which has a title 'Log In' and a subtitle 'Enter your email and password to login:'. It contains two input fields labeled 'Email:' and 'Password:', a green 'Login' button, and two links at the bottom: 'Forgot Your Password?' and 'Don't have an account?'. A red arrow points to the 'Don't have an account?' link. The right screenshot is the 'Need an Account?' page, which has a title 'Need an Account?' and a subtitle 'Enter Your Information: All fields are required'. It contains input fields for 'Email', 'First Name', 'Last Name', 'Password', and 'Confirm Password'. It also has two dropdown menus labeled 'Select Degree:' and 'Select Credit Eligibility:'. A green 'Create Account' button is at the bottom right, with a red arrow pointing to it. A small note at the bottom of the right page says: 'Additional credit eligibilities can be updated in the "My Profile" area'.

Once logged in, complete all information in the profile section of the registration form. Click “Continue”.

EMS Education Continuing Education Curriculum - Content

Avera CE Portal

A PDF document giving links to the EMS Courses that you have access to will pop-up. Click the links to take the individual courses. You do not need to take them all at once. You will have access to come back to this document as needed.

Once you click on a specific course link, you will need to click on “Content & Tests” tab to take the course. Once completed with the post test of the course, you will need to complete the evaluation to get your certificate. All individual evaluations, certificates and transcripts can be found under the “My CE” yellow button once a course is complete.
