### What's New in CE

CloudCME recently updated their system to improve the customer experience in November. Do not copy applications submitted PRIOR to November 2024. Please create a new one. Anything submitted AFTER November 2024 can be copied. If you need a pdf of the application submitted prior to November, reach out to [averacontinuingeducation@avera.org](mailto:averacontinuingeducation@avera.org) and we will send you a pdf.

### Compliance Check

- Prevent Commercial Bias and Marketing
  - Are your planning decisions made without any influence or involvement from owners and employees of ineligible companies?
  - Is your education free of marketing or sales of products, goods, or services?
  - Are you careful to NOT share the names and contact information of your participants to any agents or companies?
- If you have concerns about potential bias in an activity, please reach out to further discuss steps to mitigate this

### Reminders

- Applications must be submitted no later than the last day of the month prior to the activity.
- Is your profile in the Avera CE portal up to date?
  - If not, please make sure you have an Avera email address on file and that all your information is up to date!
