What's New in CE

IPCE (Interprofessional Continuing Education) Credits for Registered Dietitians (RD) and Dietary Technician, Registered (DTR)

- RD's and DTR's can use IPCE credits for their certifications needs. If an activity is awarded IPCE credits, RD's and DTR's should select activity type 102 in their activity logs to correctly designate these credits per CDR guidelines.

Compliance Check

Ensure all Content is Valid

- Is your education designed to be fair and balanced and supports safe and effective patient care?
- Is your research supported by accepted standards of experimental design, data collection, analysis, and interpretation?
- Does your activity support discussion without advocating for or promoting products or practices that are not or not current based on science, evidence, and/or clinical reasoning?
- All activities approved for accredited continuing education credits must be supported by current and evidence-based guidelines and/or references.
